When the Olympics were held in Los Angeles in 1984, the Olympic and City Officials were justifiably proud of the fact that the Olympics were held without using taxpayer money.

Below you will find an article detailing how the Olympics were held without using taxpayer money. Below you will also find an article describing the pride, possibility, energy, and renewal engendered by the Olympics and the Olympic Torch.

Holding the Olympics at Sarajevo will focus positive world attention on Sarajevo.

The construction, activities, funds, and the spirit of good will and cooperation generated by an Olympics will help to rejuvenate Sarajevo and the entire region.
